

# THE SHELTERING STONE STRENGTH DURABILITY FIRE

Slate quarried for roofing stock is of dense, sound rock and exceedingly tough and durable. Evergreen Vermont Slate roofs have lasted a century, giving excellent long-term value, in contrast to other types of manufactured roofing which must be re-roofed three or four times within this same period.

Vermont Natural Slate colors, sizes and texture afford many architectural effects, contributing to the appearance and beauty of any building.

MURR & LANEY

## Patterns

Special patterns can be produced...  
If you can imagine it we can create it!

## Staggered Butt Slate Roof

Staggered Butt applications can compliment a rugged contemporary country home or be designed for a unique old-world look.

## Semi-weathering Slates

A perfect complement to a stone facade—random widths for a traditional application.

# RESISTANCE WATER RESISTANCE LOW MAINTENANCE

KARL SBARDELLA

RUFF ROOFING

Slates are available in varying textures to afford any architectural effect desired.

For additional texture, several thicknesses can be intermingled in each course of slate.

### **Graduated Slate Roof**

Evergreen Slate provides detailed shop drawings for every graduated slate roof we provide.

# The Sheltering Stone

Evergreen Slate is the largest producer and supplier of slate in the United States. Since 1916, the company has taken pride in providing its customers with high-quality products and excellent customer service, as the leader in the slate roofing industry.

The thousands of roofs we've provided to fine homes, churches, libraries, government buildings and universities for over 90 years are a testament to our role as the premier roofing slate provider.

We offer 11 colors in all sizes and textures. Colors shown may vary slightly within the same vein and from region to region. A variety of patterns and profiles or special sizes and thicknesses can be cut as custom orders. Call Evergreen to find out more about these options. In addition, our experienced staff can provide detailed information and architectural services to help you achieve your desired slate roofing effect.
